

Motherboard of a Computer System

Look at the Motherboard Map and compare the locations to the photo of a real motherboard.

Label each part of the Motherboard.

- Ports
- CPU
- Graphics Card
- Wireless Card
- ROM
- RAM
- Capture Card
- Solid State Hard Drive (SSD)

Challenge:

1. Label on the Motherboard photo where you would plug in the Power to the Motherboard
2. The CPU is often described as the Brain of a computer. The theme of this Computer System is a Town. Why is the CPU like a Town Hall?
